MEMORANDUM FOR THE RECORD

SUBJECT: Telephone Conversation with Mike O'Neil, Chief
Counsel, House Permanent Select Committee on
Intelligence

1. On this day at 4:10 p.m. I called Mike O'Neil and told him we were prepared to respond to the attached requests brought back by Norm Gardner, OLL, in the following way:

-We would endeavor to deliver all the documents requested as quickly as possible with the exception of the IG Report which would be made available on Wednesday, 7 November.

-We would probably be able to deliver most of the documents on Monday, 5 November. If some were found to be especially sensitive, we would not leave them but would make them available for Mike to see.

-With regard to the IG Report, we would not leave it but would make it available for Mike and other staff to see.

-With respect to the request for discussion with Agency personnel, we would make them available but two are out of the country. One has been asked to submit his recollection of events which we will make available when they arrive. The second will be recalled if the Committee wishes to talk to him.

2. O'Neil said our responses appeared to be fine to him. He said some Members might possibly object to the Report not being left with the Committee, but he understood our approach to be past practice and was not bothered by it. He also said
